

DEPLOY IN KUBERNETES CLUSTER

Team ID	PNT2022TMID49824
Project Name	News Tracker Application
Team Members	S. Mohideen Kamal R. Maheswaran M. Yuvaraj K. Muthukumar

The screenshot shows the IBM Cloud Kubernetes Clusters management console. The left sidebar contains navigation links for IBM Cloud, Kubernetes, Clusters, Reservations, Helm catalog, and Container Registry. The main content area is titled 'Kubernetes clusters' and features a table with the following columns: Name, State, Location, Worker count, Created, Version, and Infrastructure. A single cluster named 'mycluster-free' is listed with a state of 'Preparing master, workers...' and a location of 'Amsterdam 03'. The 'Created' column for this cluster shows a red banner indicating 'Expires in 30 days'. The 'Version' is '1.24.8_1544' and the 'Infrastructure' is 'Classic'. At the top right of the cluster list, there is a 'Create cluster' button. The bottom of the screen shows a Windows taskbar with various application icons and a system tray displaying the temperature (31°C), weather (Haze), and time (04:36 PM, 17-11-2022).

Name	State	Location	Worker count	Created	Version	Infrastructure
mycluster-free	Preparing master, workers...	Amsterdam 03	1	Expires in 30 days	1.24.8_1544	Classic

Pricing plan

Free

You have already created your one free cluster
Ready to create more clusters? Choose the Standard cluster type.

Summary

United States

Kubernetes cluster

1 Worker node Free

Free - 2 vCPUs 4GB RAM
Virtual - shared
Ubuntu 18

Total estimated cost Free/mo

Additional charges for networking and bandwidth might apply.
Actual monthly total will vary with tiered pricing.
Estimate does not include costs for integrations.
